X (Cited in a related case) Each item of information contained in this information disclosure statement was first cited in a communication from the U.S. Patent and Trademark Office in a related application. The present application is related to such other applications by claiming priority of the same U.S. Provisional patent application.

It is expressly requested that the cited information be made of record in the application and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.
